Music Ministry Outreach

Katie Martini had a terrific idea...Our *Renaissance Camerata* high school choir of 15 musicians went to Meals on Wheels MONDAY, October 12 @ 1:00

to sing for her friends on Columbus Day. These youth gave a wonderful, inspiring concert *on their day off from school* to brighten the lives of other people. We offer a huge THANK YOU to Deanna Lauer and Sharon Martini for their gracious welcome to us, the parents who drove, and most especially our high school youth for sharing their brilliant music with a most appreciative audience.

The concert concluded with everyone standing, lifting their voices together in "My Country 'tis of Thee", receiving lovely roses and cookies delivered by our youth.
