SUMMER FUN

While we all look to enjoy some time for relaxation during the summer, more people are focusing on just keeping their heads above water. Many continue to be without jobs and the food pantries in our area, including our own supply line are challenged. Please remember to support world and local hunger needs this summer.

VACATION BIBLE SCHOOL

Six weeks and counting until Good Shepherd hosts Vacation Bible School. VBS will be taking place from August 1st through August 5th. Fulfilling our mission of reaching into the community, this program attracts both members of our congregation, and non-members.

This year's safari theme will focus on John 3:16: "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

Over 60 students, from Pre-Kindergarten to the 4th grade, will explore the meaning of this verse through teaching, crafts, music and games, as they enjoy the week-long journey of fun activities.

As preparations for VBS take place, we ask for your help in painting the backdrops that will be used throughout the week. We will meet on three Sundays in July, the 17th, 24th, and 31st, after worship, for one hour, from 10:30 am-11:30 am. Please join us for one or all of these decorating Sundays.

We look forward to the first week of August and we, as a community, thank all the volunteers beforehand for all their work and dedication. Most of all, we keep in our prayers all who share the love of God that is manifested in his only son, who was given for us so we might all live in God's eternal glory. Thanks be to God.

FROM THE VICAR

Grace and peace to you all from our Lord and Savior Jesus Christ.

What a year it has been for me here at Good Shepherd. How quickly time has flown by. I'll already be preparing my final evaluation for the seminary in fewer than two months. In my introduction to the first sermon I preached, during Labor Day weekend, I emphasized to the entire congregation that I came here to learn and that each and every one of you would be my teachers throughout this internship year. I feel very fortunate and am grateful to you all for making this experience an enlightening one.

Every month, when I go home from our Council Meeting, I leave meditating and praying that someday I would have a congregation such as Good Shepherd.

The reason I say this to myself is because I see the time and dedication each of you share in the ministry of this congregation. One can truly see the power of the Holy Spirit working within both your hearts and minds, whether it is working on the exterior of our church, day-to-day activities in the church, or planning to establish the "vision" for our beloved church, as we move forward in determining the "What" we need at Good Shepherd, "Why" we need it, and "How" the people of Good Shepherd will accomplish that.

All these activities, functions and events take place because each and every one of you plays a role in the life of Good Shepherd, and often, many roles. To be able to experience and be a part of such a vibrant congregation, with people who truly care about their Christian faith and the involvement of all the members in the body of Christ, is truly a blessing. Not only is it a blessing for us locally, but for the Church at large.

During the past couple of months, our Church Council has been addressing these three words, "What, Why and How," with much enthusiasm and reflection, with an eye to the future. The amount of work and dedication many members contribute is a wonderful representation of what the word and sacrament of our Lord and Savior Jesus Christ means to us, but most of all, it is a response to the question: What is the Holy Spirit calling us to do? With much dialog and many meetings, not only have we been able to learn more about each other and how we can all work as one, but with the Spirit working among us, we are paving the way for the Good Shepherd of tomorrow, and beyond.

As I reflect on the first half of my internship here, I can see how much I have learned. I thank you all for being not only my brothers and sisters in Christ, but also my teacher in Christ and having a profound impact in my development in ministry.

Jonathan Recabarren, Vicar

BUDGET RESULTS THROUGH APRIL 2011

Our giving thus far in 2011 is below last year and projecting a budget deficit of at least \$24,000.

Very shortly we will be entering the "slow" months for church giving which could bring on a cash crunch this summer.

Please check your annual planned giving and if you have fallen short try to catch up so that we can continue our ministries without the need for reductions.

Thank you for your prayerful consideration.

Voice Publication Deadline

Items to be included in The Shepherd's Voice must be submitted to the church office by August 12th **for the September issue**. Electronic submission (e-mail) is preferred. Articles submitted after the deadline may not be published, due to space and time restrictions. Please e-mail articles to: secretary@gspr.org.

SUMMER NOURISHMENT FOR ALL

Summer, hopefully, is a time to step back...a time to re-create...a time to nourish our bodies and our souls. We meander through local farm markets, and fill our bags with fresh corn and tomatoes, blueberries and peaches...or even grow our own. We gather 'round our tables with friends and family, at barbecues and picnics. We take time to do those things that help us unwind, that build our spirit, strengthen our families, fill those empty places in our lives. Worship and gathering around the table that God offers, gives us strength and nourishment that the world cannot.

Yet, for some, hunger takes no vacation and their tables are empty. We, whose tables are blessed, are called to share....to fill those who hunger. Let's keep our food bin filled so that *People to People* can reach out and nourish those who are struggling during these difficult times. And to those whose hunger goes deeper, we are called to invite them to Good Shepherd...to the Word and to God's table, that they also might be filled.

CALLING ALL ART LOVERS!

We are looking for people who are interested in lifting up visual arts in faith and/or life. Painting, carving, sculpting, crafts, stained glass...and other art forms. We will be meeting on August 22nd following the Monday night service. Come...share your talents, thoughts and ideas.

DEDICATION OF NEW PENTECOST BANNER AND STOLES

Special thanks is extended to Audrey Balison, Florence Johnson, Jayne Johnston, Helen Cooper, Martha Traynor, Debbie Davis, and Marlene Seybold, for making the beautiful red stoles and banner that were dedicated on Pentecost Sunday. We are grateful to have such talented members in our congregation.

SUMMERTIME WEEDERS WELCOME

If you are into weeding, (and who is) please contact the office by phone 845 735 2243 or email office@gspr.org and give the days and times when you are available. You will receive a "map" of the grounds with an area marked for you to weed. It doesn't matter how many weeds you pull. You can pull one or 10,000, spend one minute and use the remainder of the time to enjoy the church gardens or work like the devil or angel pulling weeds. The point is that there are always weeds, and while we know our Lord's thoughts on the subject, we have a different approach when it comes to the planted areas around the church. You will need to bring a brown paper bag or two or you can use the brown refuse pail that is kept by the staff parking area near the back of the garage. Wear clothes and bring a hand tool, if you have one, to assist in weeding. While weeding, take sometime to enjoy the life God has given us and try not to get a backache. You may even want to say a prayer or two, since there is no more place divine than a garden. Leave with the satisfaction that your weeding is done out of care for a community that gathers at North Main and Hunt Avenue and extends around the world and right "up" to heaven. This is a place of beauty, and it is a curious thing as we notice people placing (not planting) more and more artificial flowers and building unnatural waterfalls in the most unusual of places. Surely, these attempts are yearning for signs of beauty in a harsh world. God has planted in us a need to behold beauty but beauty can never come expediently. It takes lots of time, and of course, weeders. :-)

CREATIVE PLAY HAPPENINGS

Another fun and exciting year comes to a close. Our Creative Play graduations were a wonderful send-off for the 4 year olds and their families. We graduated over 100 students from our Creative Play classes and 60 children from our UPK classes. The children did a super job singing their special songs. Many thanks to all our families for their help in making 2010-2011 a successful school year.

This summer Creative Play will be running a summer camp three weeks during July. As of now, there are limited openings in our 5 & 6 year old age group. Please call the Creative Play office, (845)735-2737, if you have any interest in joining in the summer fun.

We are also planning a Kindergarten Enrichment program for children in the Pearl River School district, since they attend half day kindergarten. We are having a morning and afternoon session, and families can arrange to have their children picked up/dropped at Creative Play. Applications are available in the Creative Play office.

The office will be open during the summer months, but call ahead, as we will be in and out over the summer.
